THE ART OF THE SALES CENTER SALES ENVIRONMENTS FOR HOME BUILDERS

OUTSIDE THE BOX, INSIDE INGENUITY

When home buyers walk through the doors of your new sales center, the attention to detail and the sense of connection we help you create will help them envision just how good life will be living in your community.

RIVER ISLANDS

Artful Graphics SET THE SCENE AND TELL YOUR STORY

21

River Islands has been envisioned and created by River Islands Development, a subsidiary of The Cambay Group, which is wholly-owned by British Isles-based Somerston Holdings. The Cambay Group has more than thirty years of experience in teal estate investment, development and finance, with projects representing master planned community development, office, tetail, telecom and data centers.

In Northern California, Cambay is best known as the developer of Windemere in San Ramon, one of the largest master planned communities in the San Francisco-Bay Area.

ambay's parent company, Somerston Woldings, is part of the Somerston Group of ompanies, which has been in business 18%. Over the years, the company's compagies, which has been in busine operations evolved from a line of dip lips. By 1975, after 121 years in the reats were sold. I when the track rece
